

Docket No.: FRON-10192  
Application No.: 10/823,477  
Amendment Date: July 10, 2006  
Reply of Office Action of: March 21, 2006

**AMENDMENTS TO THE SPECIFICATION**

Please replace the following paragraph(s) in the specification as follows:

Please replace the paragraph on page 2 of the specification beginning at line number 11 with the following paragraph:

--The present invention also has many features that are useable together with the inventions disclosed in Applicant's own disclosure in U.S. Patent Application Serial No. 10/823,476, filed April 12, 2004 and entitled "Heat Collector Plate for an Electronic Display", the disclosure of which is incorporated herein in its entirety.--
